INT. KITCHEN GRILL - MORNING

32

We see Lee in the back cooking burgers on the grill. LEE'S MANAGER (45) is overweight with thick glasses. He comes up to Lee and says.

LEE'S MANAGER

Hey, your brother is out there.

LEE

Tell him I'll be right out.

LEE'S MANAGER

What I look like.

Lee looks as if he's thinking for a moment.

LEE

You look like you wake up in the morning and be like, fuck hygiene.

Lee starts to laugh.

LEE'S MANAGER

Whatever, he just paid for everyone's meal. Gave us enough to take the day off. He's alright with me, I'll tell you that.

We see Lee's Manager standing there turning things off as if he can't wait to leave. Lee walks by him on his way to Marcus and says.

LEE

For real thow. You look like black lives don't matter.

Lee starts laughing really hard. Lee's Manager just looks at him, opens a bottle of Pepto Bismol, takes a couple of big swallows, then says.

LEE'S MANAGER

Whatever, Tell him he needs to come by more often.
